for

All Preliminary Subjects

2019

All dates are an approximation and are subject to change. Students will be given at least two weeks' notice before each assessment task to confirm the date.

The assessment of a student's achievement throughout the Preliminary course is ongoing and is made at several points and in a variety of methods. Satisfactory completion of classwork and assessable tasks is mandatory for students to continue to the HSC Examination. Unsatisfactory completion or failure to submit assessable tasks may result in an 'N' determination being issued in the course.
